

## Evening Market

### Summer events

Again this year, the city of Jeoslo is offering an evening market in Piazza del Granatiere in Cortellazzo.

The event will take place every Friday between 2 July to 27 August 2010, with about thirty exhibitors of food and non-food products, some of whom will sell truly clever products. The evening will be enlivened with music and a DJ.

In case of bad weather, the market will take place on Saturday evening.
